Our carriers deliver any time between 8am and 5pm. We regret we are unable to provide specific time slots. Please ensure that the delivery address you provide will be occupied, with someone available to accept the delivery. Schools are no problem, but Church Halls etc can cause major headaches! Home addresses are better for groups who only meet in the morning or on certain days.

Nominate a Neighbour

To receive your goods it would be useful to nominate a next door neighbour who will accept your parcel if you are out when our carrier calls.
