### Washing Instructions:

Handwash for the first couple of washes. This will remove the "factory finish". Machine wash inside out if possible on a low setting using a non-bio powder. Iron on the reverse of the picture.

### SOME NOTES TO HELP YOU GET THE BEST RESULTS:

1. Print this order form on to A4 paper of 100gsm or more, then use the reverse, blank side, for the artwork.
2. **Use bright colours, felt tips and paint give best results - DO NOT USE PENCIL OR CRAYON.** Please don't expect an exact colour match.
3. Please add the child's name/age to the artwork (if required) we do not add to or amend any artwork.  
Please keep this information away from the edges, to prevent any cropping in the printing process.
