Yummy Mummy

To Mummy who I love so much
Your loving kiss, your gentle touch
To Mummy who is there for me
Laugh and learn and play with glee!

To Mum, I hope you understand
That I think you are really grand!
And I just hope that you can see
That you mean all the world to me.

And so this gift, my dearest Mum
Long from now, in years to come,
You'll cherish this and you'll have known
That-just like me-my love has grown!
I Love You, Mum!
